four institutions, the first two of which are Muzrai ---- Institutions and the other two are non Muzrai Institutions.

The first of these viz., Sri Venkataramanaswami temple is reported to be an ancient institution with a large number of devotees and it is stated that its present income is not sufficient to meet the hetchukatle expenses. The Sri Utsavamba temple is a Muzrai Institution having a small annual cash grant. It has no inam lands and its -- income is stated to be wholly insufficient for the Nityakatle and Hetchukatle expenses. Sri Garebagalu Eswaradevaru temple at --- Chitaldrug is stated to be a non-Muzrai institution commanding a -- large number of devotees with no inam or cash grant. It is reported that Kariyammadevaru temple does not receive any Government help and

is situated close to the resumed lands and that the inhabitants of Nandrahalli pray for grant of some land for its upkeep.

3. The Deputy Commissioner recommends that the entire S.No.63 may be given to Sri Venkataramanaswami temple, that an extent of 25 acres out of S.No.64 may be given to Sri Utsavamba temple and that the remaining portion may be given to Sri Garebagalu Eswaradevaru and Sri Kariyammadevaru in equal proportion at 15 acres + 16 guntas ~~guntas~~ each. I consider that the Deputy Commissioner's recommendation is suitable and recommended that sanction of Government may kindly be accorded to the Deputy Commissioner's recommendation and to the alteration of the tenure of the inam lands from Dharmadaya into -- devadaya.

1. Sri Venkataramanaswami temple at Kelagote, Chitaldrug Taluk.
2. Sri Utsavamba temple at Chitaldrug.
3. Sri Garebagalu Eswaradevaru temple at Chitaldrug.
4. Sri Kariyammadevaru temple at Pandrahalli, Chitaldrug Taluk.

Sri Venkataramanaswami temple is an ancient institution. It has a large number of devotees. The present income is not adequate for meeting all the hetchukatle expenses. As the institution deserves -- encouragement, the Sub Division Officer recommends that S.No.63 may be given to this institution.

The Dharmadarsis of Sri Utsavamba temple have resolved that - land out of the resumed inam lands of Pandrahalli may be given to temple for its maintenance. It is a Muzrai institution getting a sm annual grant. It has neither the inam land nor other source of inc for meeting the cost of nityakatle and hetchukatle expenses. The temple is situated in the heart of Chitaldrug town. The Sub Divis Officer recommends that an extent of 25 acres out of S.No.64 may be given for its support.

The leading members of Chitaldrug town headed by Mr.G.Chennap District Board President, petitioned the Sub Division Officer and the Amildar praying that the lands endowed to Janukonda chattram now --- resumed to Government may be granted for the maintenance and upkeep of Sri Garebagalu Eswaradevaru temple at Chitaldrug.

It is seen from the Mahazar that the temple in question has got a large number of devotees from different commu ities, that a su of Rs.125/- is required for nityakatle and hetchukatle expenses and that it is in need of Government help. It is not a Muzrai Instit It has neither inam land nor cash grant. As the institutio encouragement the Sub Divisi n Officer recommends that an e

15 acres may be granted out of S.No.64 for the maintenance and upkee of the temple.

The inhabitants of Pandrahalli pray that lands for the upkeep of Sri Kariyammadevaru temple may be granted as it does not receive any Government help. The Amildar recommends that as this institution is situated in the same place where the resumed lands are --- situated one S.No.may be granted free of cost. The Sub Division Officer recommends that an extent of 15 acres may be granted for its maintenance.

In these circumstances I agree with the Sub Division Officer and recommend that the entire S.No.63 may be given to Sri Venkataramanaswam temple., that an extent of 25 acres may be given to Sri Utsavamba -- temple and that the remaining portion may be given to Sri Garebagalu Eswaradevaru and Sri Kariyammadevaru in equal proportion at 15 acres 16 guntas each.

The tenure of the inam land ma- be ~~xix~~ altered from dharmadaya into devadaya.

Letter No.A5.1879/31-32 dated 7-1-33 from the Deputy Commissioner, Chataldrug District to the Muzrai Commissioner in Mysor .

--

With reference to your memo No.976/31-32 dated 26-5-32 calling for a report in the matter of thegrant of certain resumed lands for the upkeep of Sri Utsavamba and other temples in Chitaldrug taluk, I have the honor to state that all the conditions for allowing new grants are being fulfilled in respect of Sri Utsavamba, Sri Venkataramanaswami and Sri Garebagalu Eswaradevaru temples.

Sri Utsavamba temple has an annual income of Rs.72/- but the annual expenditure is estimated to be Rs.215/-. Thus -- the additional expenditure of Rs.143/- is borne by the -- devotees of the temple. Sri Prasanna Venkataramanaswami temple has at its credit a sum of Rs.3000/- in the shape of puduvat. Sri Garebagglu Eswaradevaru temple has no funds at its credit. The devotees are said to be collecting subscriptions and conducting the the sevas of the temple. 7/6/ These institutions are popular and important ones and deserve the assistance now recommended. They are ancient and historic temples.

The S.D.O. reports that Sri Kariyamma devaru temple does not deserve the grant as it is almost defunct. --- Moreover this is not a Muzrai Institution.

I therefore, recommend that S.No.63 may be granted to Sri Venkatara anaswami temple and S.No.64 to Sri Utsavamba and Eswaradevaru temples in equal proportions.

The records received with Chitaldrug Sub Division Officer's memo No.Rl.C.547/31-32 dated 19-4-32 are herein enclosed for reference and return when done with.
